Dear Dr Adam Peter Banham

Re. Completion of QUT Doctorate by Research

I would like to convey to you my warm congratulations on your completion of a research degree at QUT as below.

Completion date	9/05/2025
Course code and name	IF49 Doctor of Philosophy
Thesis title	<i>Process Mining with Exogenous Data</i>
Faculty	Faculty of Science
Field of Research*	Decision Support And Group Support Systems
Field of Education*	Information Systems
* As per your official record, this classification was made at the time of admission and cannot be amended.	

The Queensland University of Technology's Registrar has executively approved your degree and you are now entitled to use the title of 'Dr'.

The official conferral date for your degree will be displayed on your testamur, which you should receive at the mid-year graduation ceremony.

Again, congratulations to you and your supervisors and to your faculty for your achievement.

Yours sincerely

Jill Blacker
